

Redland Brick Blasting Schedule

Notice was given that Redland Brick, Inc. plans to conduct its blasting program on its site in Harmar Township (SMP #02010301) on the property of Redland Brick, Inc.

The blasting program will be conducted Monday thru Saturday between sunrise and sunset from November 5, 2015 through November 15, 2016.

There will be signs posted to control access to the blasting area at the entrance of the mine.

At least one minute, but no more than 2 minutes prior to detonation, there will be three, five second signals given. An all clear signal of one prolonged 10-second signal will be given after the detonation.
